

ALL NATURAL 18%

PROTEIN LIVESTOCK SUPPLEMENT

(For All Stages of Livestock on Pasture)

WHAT IS ALL NATURAL 18%?

All Natural 18% has been designed for all species of livestock to include cattle, horses, sheep and goats. This product has no added copper or urea.

Crude Protein	Min.	18.0%
Crude Fat	Min.	3.0%
Crude Fiber	Max.	2.5%
Ash	Max.	14.0%
Calcium, (Ca)	Min.	1.5%
Calcium, (Ca)	Max.	2.5%
Phosphorus, (P)	Min.	0.4%
Vitamin A	Min.	25,000 iu/ lb.

INGREDIENTS: CANE MOLASSES, COTTONSEED MEAL, SOYBEAN MEAL, LECITHIN, HYDROLYZED VEGETABLE FAT (feed grade), LIME, DICALCIUM PHOSPHATE, LIMESTONE, ZINC SULFATE, COPPER SULFATE, MANGANESE SULFATE, SODIUM SELENITE, POTASSIUM IODIDE.

PROTEIN

No non-protein nitrogen products are added to this supplement, such as: urea, biuret, or ammoniated compounds. All of the crude protein is derived from the cottonseed meal, soybean meal and cane molasses.

CAUTION: FEED AS DIRECTED

Animals must have adequate forage available to meet their daily requirement for this supplement to function properly. This supplement is not a feed and because of the high concentrations of vitamins and minerals, consumption above recommended levels could have an adverse reaction. Daily rates of consumption from one ounce to 1-1/2 lbs. can be expected. Provide one tub for each 6 to 8 head of cattle, one tub per 5 horses, and 1 tub per 30 head of sheep. Place the tub for easy consumption. Placing the supplement is a management decision involving watering areas, loafing areas or cross trails. The key factor is to encourage multiple daily feedings in relation to eating and grazing habits.

FOR GREATEST RETURNS, SUPPLEMENT SHOULD BE FED CONTINUOUSLY YEAR ROUND.

U.S. PATENT # 4,749,578

Sizes Available: 125# & 200#
